

South Dakota Guide to Higher Education

Published in the Jan/Feb 2015 issue of *South Dakota Magazine*

EDUCATION DECISIONS are made by entire families, and that's why *South Dakota Magazine* has proudly published a Guide to Higher Education for the past 25 years. We know our 180,000 readers have a great love and respect for life in South Dakota — and especially for our campuses. Our readers include the young and old and everyone in between, because they all share the bond of living in this big and beautiful state.

Our 2015 guide will be published in our Jan/Feb issue. Along with your ad message, we will have stories of interesting teachers, students and happenings on campuses and in classrooms across the state.

Make your space reservations now so we can work together to promote South Dakota and our amazing educational community.
